## Synopsis

David Marks grew up in Annandale, Virginia, attending Annandale High School, Mary Washington College and then University of Richmond Law School. Mr. Marks began his legal career representing auto insurance companies. He is now a partner in the Fairfax, Virginia law firm of Leiva & Marks, P.L.C., where he limits his practice to personal injury law. Mr. Marks has devoted his career to representing individuals who have suffered serious and catastrophic injuries due to motor vehicle accidents. He recognized very early that the insurance companies have a great advantage in negotiating over the victim of a car accident. It was apparent that the people involved in motor vehicle accidents had a lot of questions that weren't going to be answered by the insurance companies. Do not speak to the insurance company until you read this book!

## Customer Reviews

basic level book. If you would like to understand details in personal injury case, I do not recommend this book. And, I did not know that this book is written in two language until I received it. Therefore, half of this book is redundant.
