## Customer Reviews

I had to learn music from "The Sound of Music" in order to play it for an upcoming surprise birthday party for a friend's husband. I'm usually reluctant to purchase "E-Z Play" books because they usually "dumb down" the chord arrangements, but this book was written beautifully -- and it faithfully follows the intended style of presentation of the music, while still remaining simple and truly easy to play. When I played "The Sound of Music", only one of the beautiful songs contained therein, I was 'blown away' at how nice it sounded. I would gladly recommend it to anyone who is a fan of this fantastic film!

Loved this music since I was in high school (45+ yrs ago)! Just learning to play my electric keyboard and these music books really help. Thanks!

My granddaughter and her friend love this book!! Full of beloved songs from this musical...

Have always loved the songs in The Sound of Music. This book makes it easy for beginners.

Makes this beautiful music so easy to play!
