El Dia Del Guajolote (Spanish Edition)

Synopsis

Regina, the author and main character of this story, is chased by her obligations of being a mother, cooking Thanksgiving dinner for her family and her desire to write a new novel. In the middle of all this confusion, she is trapped in a world of ghosts that wander about bored and paying for life debts. A humorous novel that analyzes life and death in the Texas border where nothing is completely American or totally Mexican.
