Customer Reviews

It's SO DIFFICULT to find a score of Cendrillon in PRINT (as in, not having to print the entire score off IMSLP), so I was pleased to have found this. The item description mentions that the score contains both French and English text, which is true. HOWEVER, the text is first in English with French italicized and in smaller print beneath the English text. I've never in all my life heard of anyone performing this opera in English, so I can't imagine why it was printed in this manner. So, for the 99% of singers purchasing this item who will be performing Cendrillon in French, this score adds a little hurdle/distraction. The French IS present, it's just smaller, italicized, and underneath the English. (The English, by the way, is the singing translation [i.e., not the literal word-for-word translation.]) Update: been using this score for months now, and after having highlighted my part in only the French, it's pretty easy to ignore the large English translation.
