Romeo And Juliet (Folger Shakespeare Library)

Synopsis

In Romeo and Juliet, Shakespeare creates a violent world, in which two young people fall in love. It is not simply that their families disapprove; the Montagues and the Capulets are engaged in a blood feud. In this death-filled setting, the movement from love at first sight to the lovers' final union in death seems almost inevitable. And yet, this play set in an extraordinary world has become the quintessential story of young love. In part because of its exquisite language, it is easy to respond as if it were about all young lovers. The authoritative edition of Romeo and Juliet from The Folger Shakespeare Library, the trusted and widely used Shakespeare series for students and general readers, includes:

- Freshly edited text based on the best early printed version of the play
- Newly revised explanatory notes conveniently placed on pages facing the text of the play
- Scene-by-scene plot summaries
- A key to the play's famous lines and phrases
- An introduction to reading Shakespeare's language
- An essay by a leading Shakespeare scholar providing a modern perspective on the play
- Fresh images from the Folger Shakespeare Library's vast holdings of rare books
- An up-to-date annotated guide to further reading

Essay by Gail Kern Paster

The Folger Shakespeare Library in Washington, DC, is home to the world's largest collection of Shakespeare's printed works, and a magnet for Shakespeare scholars from around the globe. In addition to exhibitions open to the public throughout the year, the Folger offers a full calendar of performances and programs. For more information, visit Folger.edu.

Customer Reviews

This book is what it says it is--a translation. It provides modern text opposite the page featuring the original text. For mere translational purposes, this book can't be beat. It claims to include "plenty of helpful commentary," but I found such comments to be lacking! Act 1 has sixteen comments and Act 2 has twenty-three, but from here on out, the numbers dwindle. There are no comments in all of Act 5, only two in all of Act 3, and only three in Act 4. That's only forty-four comments for a book some two hundred pages long! Perhaps there wasn't much cause for commentary, or some Acts (such as 3) were pretty short, but I would have liked some and felt it would have helped--plus SparkNotes made me expect a comment to be on every page! Naturally, I was disappointed by this, especially considering the book highlights this feature on its cover. Plenty of things my teacher clued my classmates and me in on weren't in the book. For example, when Romeo buys the poison from the poor apothecary in Mantua, he gives the apothecary a "ducat." My teacher said a ducat is a gold coin; from the text I couldn't infer this, and there was no note from SparkNotes to explain for me. The book also advertises its character analysis, which is in fact quite shallow and brief, providing little if any real insight. I wasn't expecting some college-level examination of Romeo and Juliet, but I was expecting to receive what was promised on the book cover--and I didn't expect what was promised to be skimpy! In addition, I swear some of the translations aren't correct. Just inferring from the text, I came up with more probable translations than the book did at times.
