Customer Reviews

I gave four stars to this book because though it is a well done book, I rather to have it only as a Spanish book edition. I am always looking for good Spanish book for my toddler and I think it is hard to find them. But this book makes sense and it is well translated book. As a Spanish speaker family, we rather to have book only in Spanish.

My students really enjoy hearing the book in both English and Spanish. They love mapping out where Bear went on each day of the week!
