## Customer Reviews

The booklet itself is printed nicely and clearly with both the violin and piano scoreIt also includes a separate booklet with violin only which is in large print and very easy for violin students to read.It shipped out and arrived quickly

It was not the grade level I anticipated it would be, and it did not arrive on time. I was very disappointed in this purchase.

That is not what I need. Violin part is too small. This is a music for pianist. I need this music for violinist.
