Customer Reviews

I bought this book for my daughter and we've read it together for the past two nights. She seems to really like it because it's the second day she's asked me to read it. I think she likes how the little girl looks and that Knuffle Bunny looks a bit more like a stuffed dog than a rabbit. I am not as enamored by it. I think the book is o.k., but the translation honestly leaves a lot to be desired. I think the story loses some of its appeal or "cuteness" because of the translation. Some of the Spanish words are dialect specific I think - meaning that it may be typical of those who are of a specific spanish-speaking nationality, but not familiar or frequently used by me or my family. There are much better "bilingual" books out there.

Trixie goes on an errand to the laundromat with her dad, but on the way home she realizes she doesn't have her beloved bunny! Will Knuffle bunny be gone forever because trixie can't talk

yet?!very well made book, larger size, really good quality printing. This story is adorable! and not too long to fit into a busy bed-time routine!

Este es uno de los cuentos favoritos de mis hijos. A mi hijo de 5 le gusta leerlo, y mi hija de dos que habla poco, se ríe mucho ya que el cuento se trata de una niña que no puede hablar. Es un libro que todos deben tener en casa.

It is a great book! Kids love this story and they love Mo Willems... It is a good book to have at home

En libro de "El Conejito Knuffle" por Moe Willems, me gusta porque cubre toda la página con dibujos y es chistoso. La gran idea es no traer juguetes a la lavandería - a porque se te pierden. En el libro a Trixie va a la lavandería - a con su papá y el conejito Knuffle. En el libro Trixie ayuda a su papá a meter la ropa a la lavadora y cuando ya se fueron a casa, Trixie estaba caminando y se dio cuenta de que no tenía su conejito Knuffle. Por eso no debemos llevar juguetes a la lavandería - a si no se te pierden en la lavandería - a y los juguetes se deben quedar en la casa. ¿Crees que Trixie va a tener su conejito Knuffle otra vez? Lee el libro de El Conejito Knuffle e investigalo. Marcelo U.

El libro de "Knuffle Bunny" o "El conejito Knuffle" se trata de que no hay que llevar juguetes a la lavandería porque sus padres por accidente pueden poner sus juguetes en la lavadora. Trixie, su papá y su conejo fueron a la lavandería y perdieron al conejito en la lavandería. Luego se fueron a la casa. Luego regresaron a buscar al conejito a lavandería y el papá de Trixie buscó y buscó y Trixie se sentía muy triste. ¿Creen que encontraran al conejito? Lee este libro para investigarlo. Por eso yo pienso que la gran idea es que no lleven juguetes a la lavandería, si llevan juguetes sus padres los meterán a la lavadora por accidente. Yesenia B.
