Macbeth: Melodramma In Four Acts By Francesco Maria Piave And Andrea Maffei. The Piano-Vocal Score (The Works Of Giuseppe Verdi: Piano-Vocal Scores)

Synopsis

The first version of Verdi's opera based on Macbeth is arguably the most important work of his formative years. Dissatisfied with the efforts of his librettist, Verdi reworked the text himself and lavished particular attention on the score. The premiere in Florence in 1847 was a great success, but Verdi made even more substantial changes for the Paris premiere in 1865. Using the "Paris 1865" version as the principal score, the critical edition was the first to make use of the composer's revised pieces. An appendix contains the earlier movements. This affordable paperback makes the piano-vocal score of Macbeth readily available to individuals and performing companies.

Customer Reviews

The first time I bought this book, I only got Volume 1, without Volume 2. I replaced it and they sent me again with all 2 volumes, very good! Also, Ricordi with the University of Chicago Press is the best edition for Verdi's operas.
