Eros (Spanish, English, French And German Edition)

Synopsis

man who is sure to emerge as a master of the medium. A model himself during the last several years, Jeff Marano has brought his own experience in front of the camera to bear to tease out the energy, vitality, and sensuality of these beautiful men. Shot using only natural light in a variety of settings - on the beach and poolside, in hotel rooms and on rooftops, on terraces and in the woods - Marano's pictures evoke old time Hollywood glamour while still allowing their subjects to retain an individuality and spontaneity rarely seen in contemporary erotic photography. 7Lush presentation of startlingly erotic, black and white photographs by an emerging master. 7Collection that evokes old time Hollywood glamour while allowing subjects to retain an individuality and sensuality rarely seen in erotic photography.

Customer Reviews

Photographer Jeff Marano has also been a model during the last several years: with experience on both sides of the camera, he's in the perfect position to provide Eros, a gathering of sensual black and white photos of beautiful men. Photos use only natural light in natural settings to capture close-ups and shots not normally seen in more posed settings. A tasteful selection of powerful images results.

Great Photography!
