Deposition Vs. Root Canal: Preparation Techniques To Make Dental Work The Only Painful Experience

Synopsis

Deposition vs. root canal? Tough choice if you conjure up an image of being given the third degree by Perry Mason. But, giving a deposition need not be a dreaded “and dreadful” experience. “Deposition vs. Root Canal” explains how depositions unfold, what to expect and ways for deponents to focus and strengthen responses to be more comfortable and confident as effective, credible witnesses. It’s not unusual to be intimidated or nervous by the thought of testifying under oath. You just don’t want it to affect your ability to communicate. “Deposition vs. Root Canal” is sound advice for anyone named in a lawsuit, being sued or in a custody battle. It is also a handy primer for attorneys to give to their clients, especially when attorneys don’t have the time, do not enjoy the task or simply do not know how to prepare deponents. Gutter researched these techniques after her personal preparation for depositions given as part of a series of lawsuits demanding more than a billion dollars from her former Fortune 100 employer.

Book Information

Paperback: 58 pages

Publisher: CreateSpace Independent Publishing Platform (March 30, 2012)

Language: English

ISBN-10: 1475062222

ISBN-13: 978-1475062229

Product Dimensions: 6 x 0.1 x 9 inches

Shipping Weight: 5 ounces (View shipping rates and policies)
