Customer Reviews

I enjoyed the entire package, the quality of the cover and the built in bookmarks, the quality paper, the photos and the articles, the literal libretto translation side by side. I'm going to order more opera guides when I'm done enjoying this one.

Great English translation and print of the Librettos in both Italian and English. The print was a facsimile of an old copy and the text was easy to read with only a few light prints/partialprints of letters present. I read it a week before and was ready for another Puccini classic! It aided in making the opera finale of the season an enjoyable one!
