The Star By My Head: Poets From Sweden (Poets In The World)

Synopsis

Published in partnership with the Poetry Foundation, *The Star By My Head* is a breathtaking anthology of poems featuring eight of Sweden's most highly regarded poets, including Nobel Prize winner Tomas Transtr  mer. From Edith S  dergran to Gunnar Ekel  f to Nobel Prize-winning Tomas Transtr  mer, Sweden has long been home to a rich and luminous poetic tradition, notable for refreshing openness, striking honesty, and a rare transcendence that seems to spring from a keen attention to the natural world. With poems that span from the beginnings of Modernism to present day, *The Star By My Head: Eight Swedish Poets* is an essential bilingual volume that offers stark, exquisite translations by internationally acclaimed poets and translators Malena M  rling and Jonas Ellerstr  m. Published in partnership with the Poetry Foundation, *The Star By My Head* is the premiere American anthology of 20th- and 21st-century Swedish poetry in English translation.

Customer Reviews

Please read this anthology! I hadn't encountered any of the poets in this anthology except for Tomas Transtr  mer before reading the collection. But the other poets, a diverse group, are equally splendid. I wish that there were more translations of these fantastic poets.

Terrific translations of great Scandinavian poetry. There are selections by Tomas Transtr  mer (winner of the Nobel Prize for literature which he most certainly deserved) and other writers of

similar caliber, such as Bruno Oijer. If you're not familiar with the work coming out of Sweden and Finland, you're about to discover something wonderful.

As a writer I love discovering new and different poets. There is a lot here to absorb, admire and carry away.
