Rivers Of The Heart: A Fly-Fishing Memoir

Synopsis

Stories are what keep history alive, and *Rivers of the Heart* is the perfect book to keep the history of fly fishing alive. Steve Raymond shares some of the best and brightest moments from his nearly fifty years of fly-fishing experiences, a long fly-fishing life that contains ecstasy, agony, and passion for trout, salmon, and saltwater gamefish in waters from Canada to the Caribbean, northern Scotland to the South Pacific. The heart-warming stories and funny moments within will delight and charm you to no end. Memorable fly-fishing partners, famous pioneer fly tyers, and old fishing friends are only a few of the charming characters you'll meet. How did fly patterns get their names? What would the perfect river be like? What would Dame Juliana Berners be doing if she were alive today? Discover the answers to all of these questions and more in this warmly written memoir of the people, places, things, realities, and fantasies encountered by the author in his lifetime of fishing he now remembers as his *Rivers of the Heart*. •Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Customer Reviews

I have three of Steve Raymond's books which document his fly fishing memories and experiences. I use them as motivation for getting out of the house and on the water. Raymond's accounts can get tiresome if read all at once. However, a story here and there is just right. The writing style can be stilted at times, but I am convinced the author's heart and soul are in the right place.
