I never saw such an enormous chunk of research which went into this very well-written book. Chock full of wonderful photos from the series, a challenging trivia quiz, a guide to all of the episodes, including characters' real names and songs, this book is the definitive guide on The Partridge Family and there will never be another book to top this one. I loved it and treasure my copy.

This is an excellent book. It has all the facts and photos of the Partridge Family and compliments the DVD's perfectly. Congrats to Joey Green. If he has other books out, I'm going to look into them also. Thank you.

I love this show as A kid and now that I am grown up at 28 years of age and I still enjoy watching the show, reading anything about the show, and listening to the cd's! I have A big crush on Susan Dey!
