Customer Reviews

This dictionary was recommended by my daughter's Spanish teacher. My daughter is 12 years old. Compared to other dictionaries, this one offers a lot of pictures and well labelled diagrams which really aids in the learning process. My daughter certainly enjoys using it. A dictionary of any kind that is seen as fun to a 12 year old was clearly very well put together.

I did own this dictionary. It gives pronunciation directions for English words, but NOT for Spanish ones. More importantly, I couldn't find definitions in the book for 4 irregular verbs listed. I went to online Spanish dictionary sites which had no definitions either. I called Cambridge Press, the publisher, and told them my concerns, but when asked, they weren't even interested in knowing

which verbs were in question. I have exchanged this dictionary for a highly praised one published by the Univ.of Chicago.
